

Thank you for the opportunity to use the LoanCloser system through Purcell Partners. As a tool to reduce complications in the funding and settlement process, LoanCloser certainly made the process more transparent and efficient. The ability to scan and load required documentation directly into LoanCloser was beneficial as a conveyencing tool as well as for the purchaser. The turnaround time for the settlement certainly benefited from LoanCloser. Communications were clearer for all parties, allowing everyone to be across the relevant matters and be aware of the status of the process.
